

Charlottenburg

## Charlottenburg

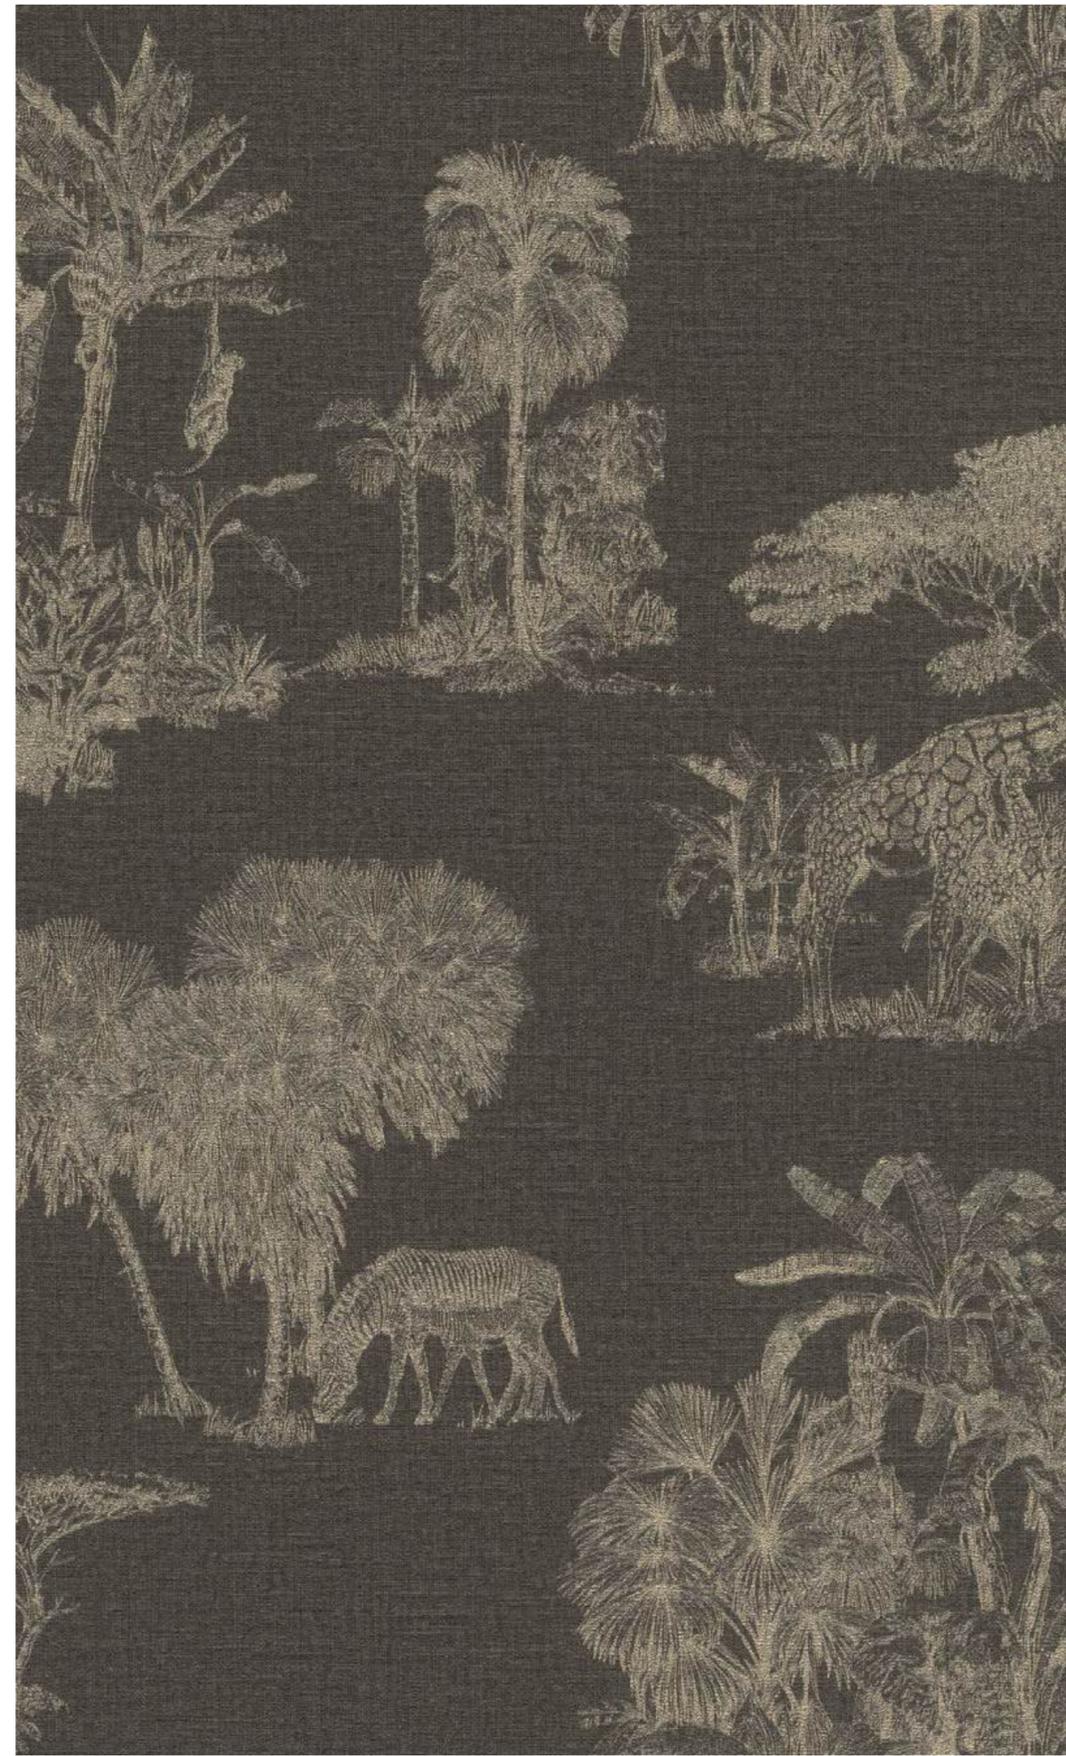

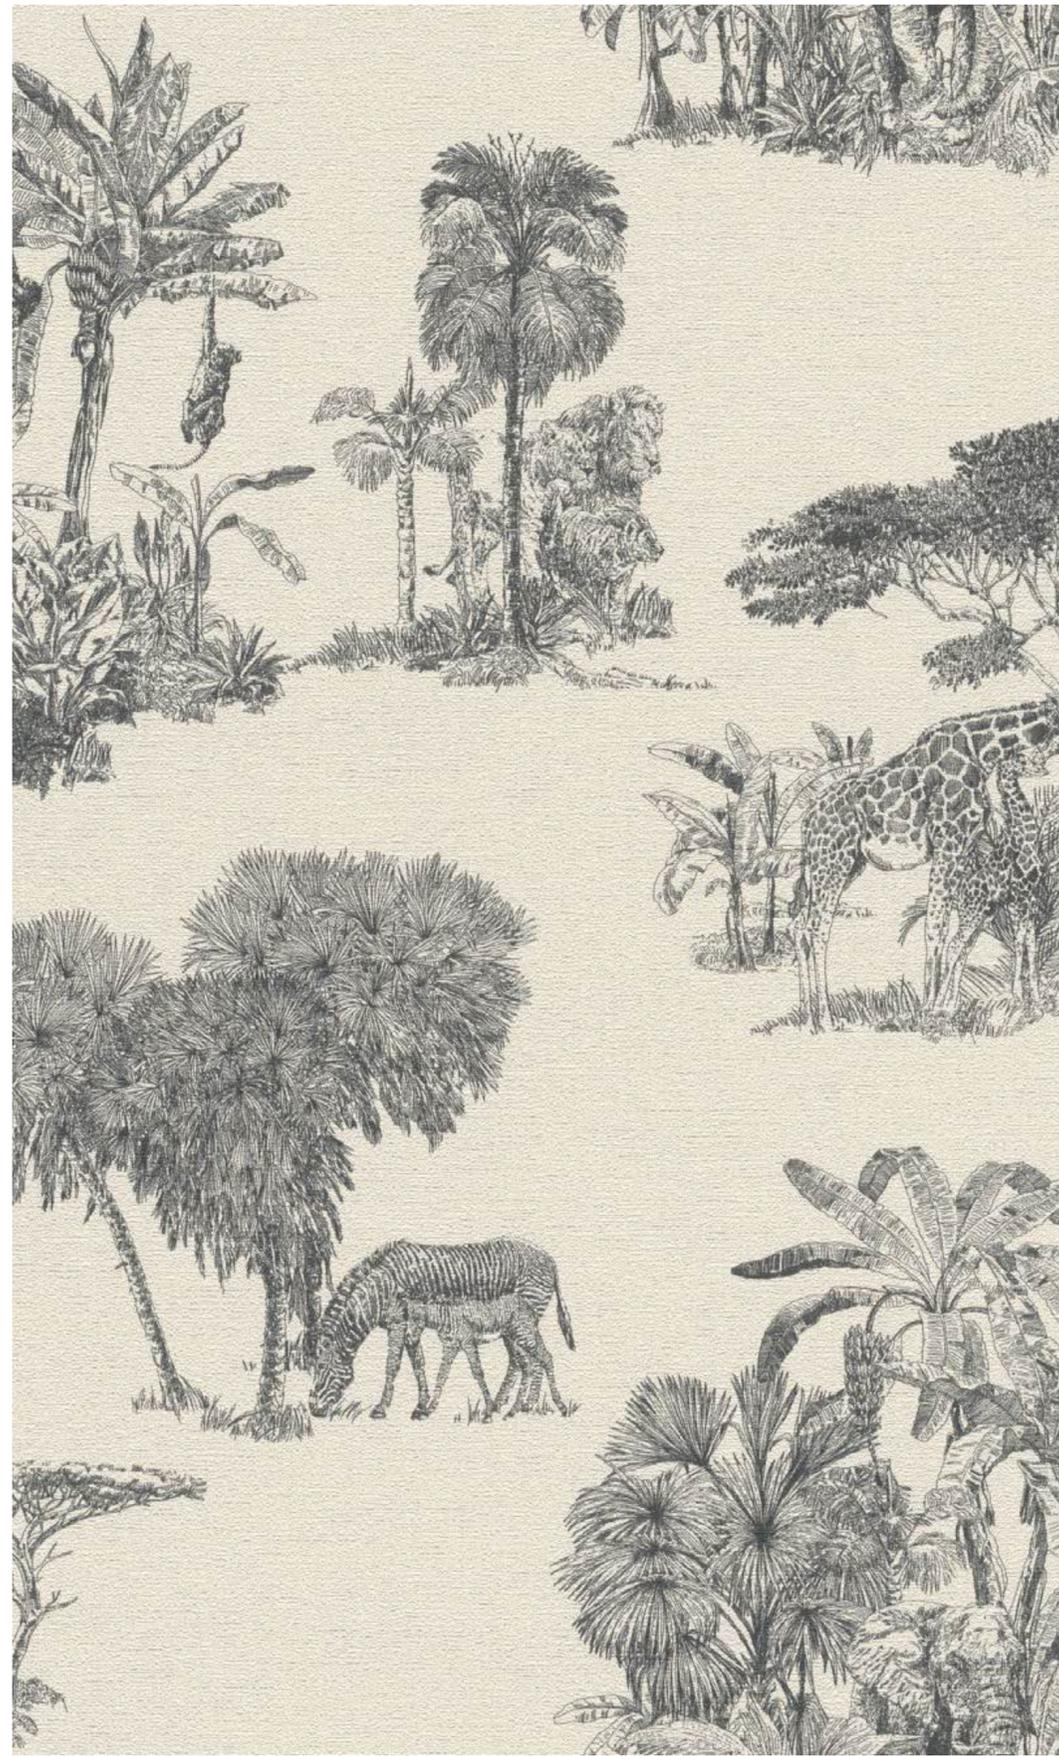

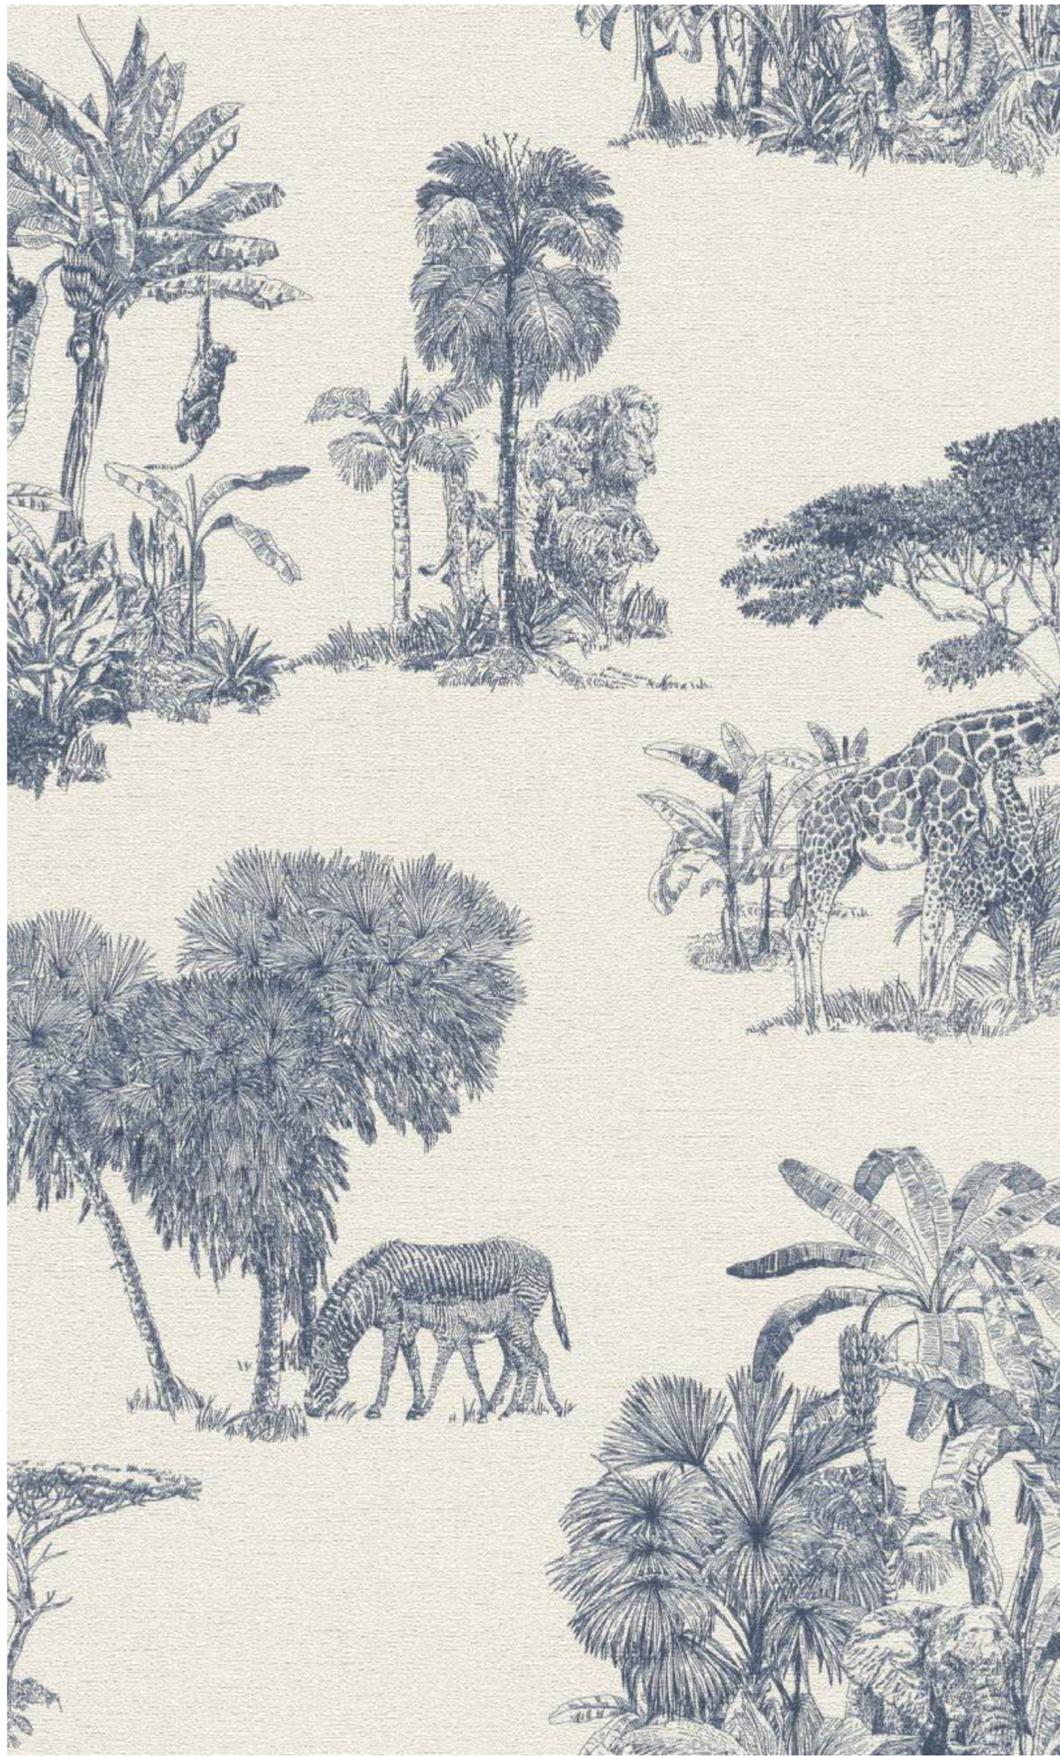

Charlottenburg, nasce para romper o paradigma de que você precisa usar muitas cores para estar perto da natureza. O nosso primeiro lançamento de 2023, traz uma sofisticada releitura dos luxuosos palácios de Berlim, tendo o Palácio Charlottenburg como principal influência por seus jardins de natureza exuberante.

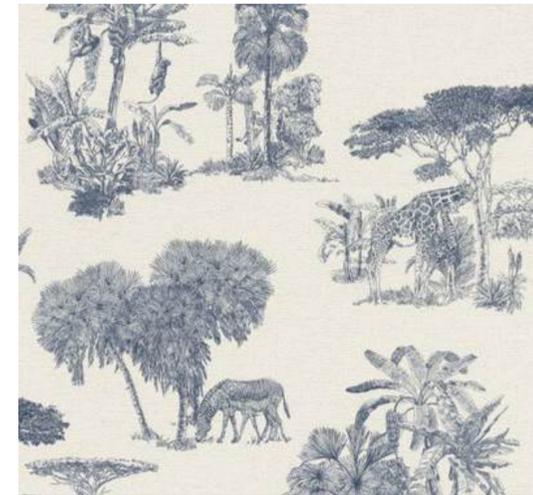

Com a união ímpar de um design finamente estruturado e cores impecavelmente escolhidas, a coleção Charlottenburg está alinhada com uma das últimas tendências do design mundial: a harmonia entre o sofisticado e o natural.

Inspirados no charmosíssimo bairro alemão e em seu majestoso palácio, selecionamos o que há de melhor para compormos essa coleção, para provar que sofisticação e natureza podem andar lado a lado para criar uma atmosfera natural sem perder o requinte da realeza.

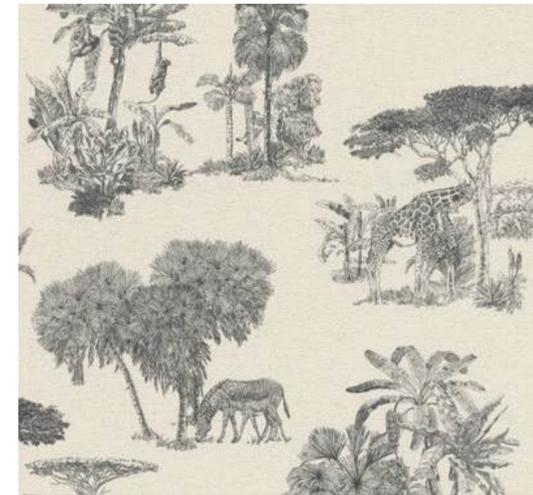

Através de uma paleta elegante, as cores transitam entre tons de branco e off-white a cores frescas como amarelo dourado, vermelho ferrugem, verde menta, azul cobalto, verde sálvia e preto.

Versatilidade é a palavra-chave desta sofisticada coleção. Cada estampa traz a sua própria atmosfera, podendo ser usada de forma individual ou aproveitando uma das diversas possibilidades de composições com as belíssimas listras ou linhos finos. Proporcionando assim, combinações impecavelmente elegantes.
