# Doce *Estilo*

Não é de hoje que a moda influencia o nosso cotidiano e também a decoração do nosso lar. Se uma coisa leva a outra e se desde cedo influenciarmos o estilo dos nossos filhos para arte, música e esporte, com certeza influenciaremos seu comportamento e estilo pessoal.

Qual a criança que nunca quis se parecer com a mãe e com o pai pelo menos uma vez na vida?

Independente do estilo da criança e das referências que ela possui, o que nunca sai de moda é o carinho que os pais e as mães têm com seus filhos.

Por isso, nós decidimos trazer mais sofisticação para os ambientes onde

esse carinho é propagado. Se o nosso lar é a extensão da nossa personalidade, a maturidade das crianças vai chegando ano após ano e a sua autenticidade começa a aparecer.

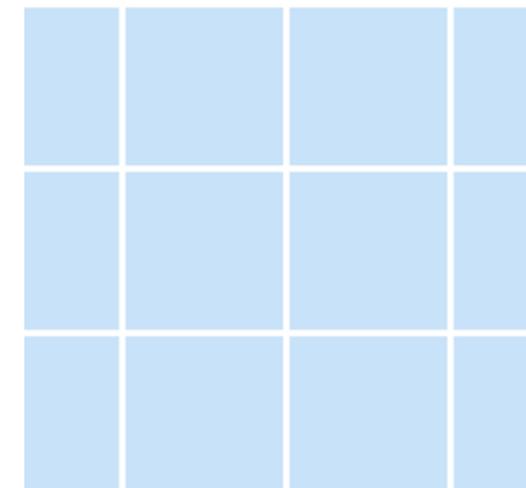

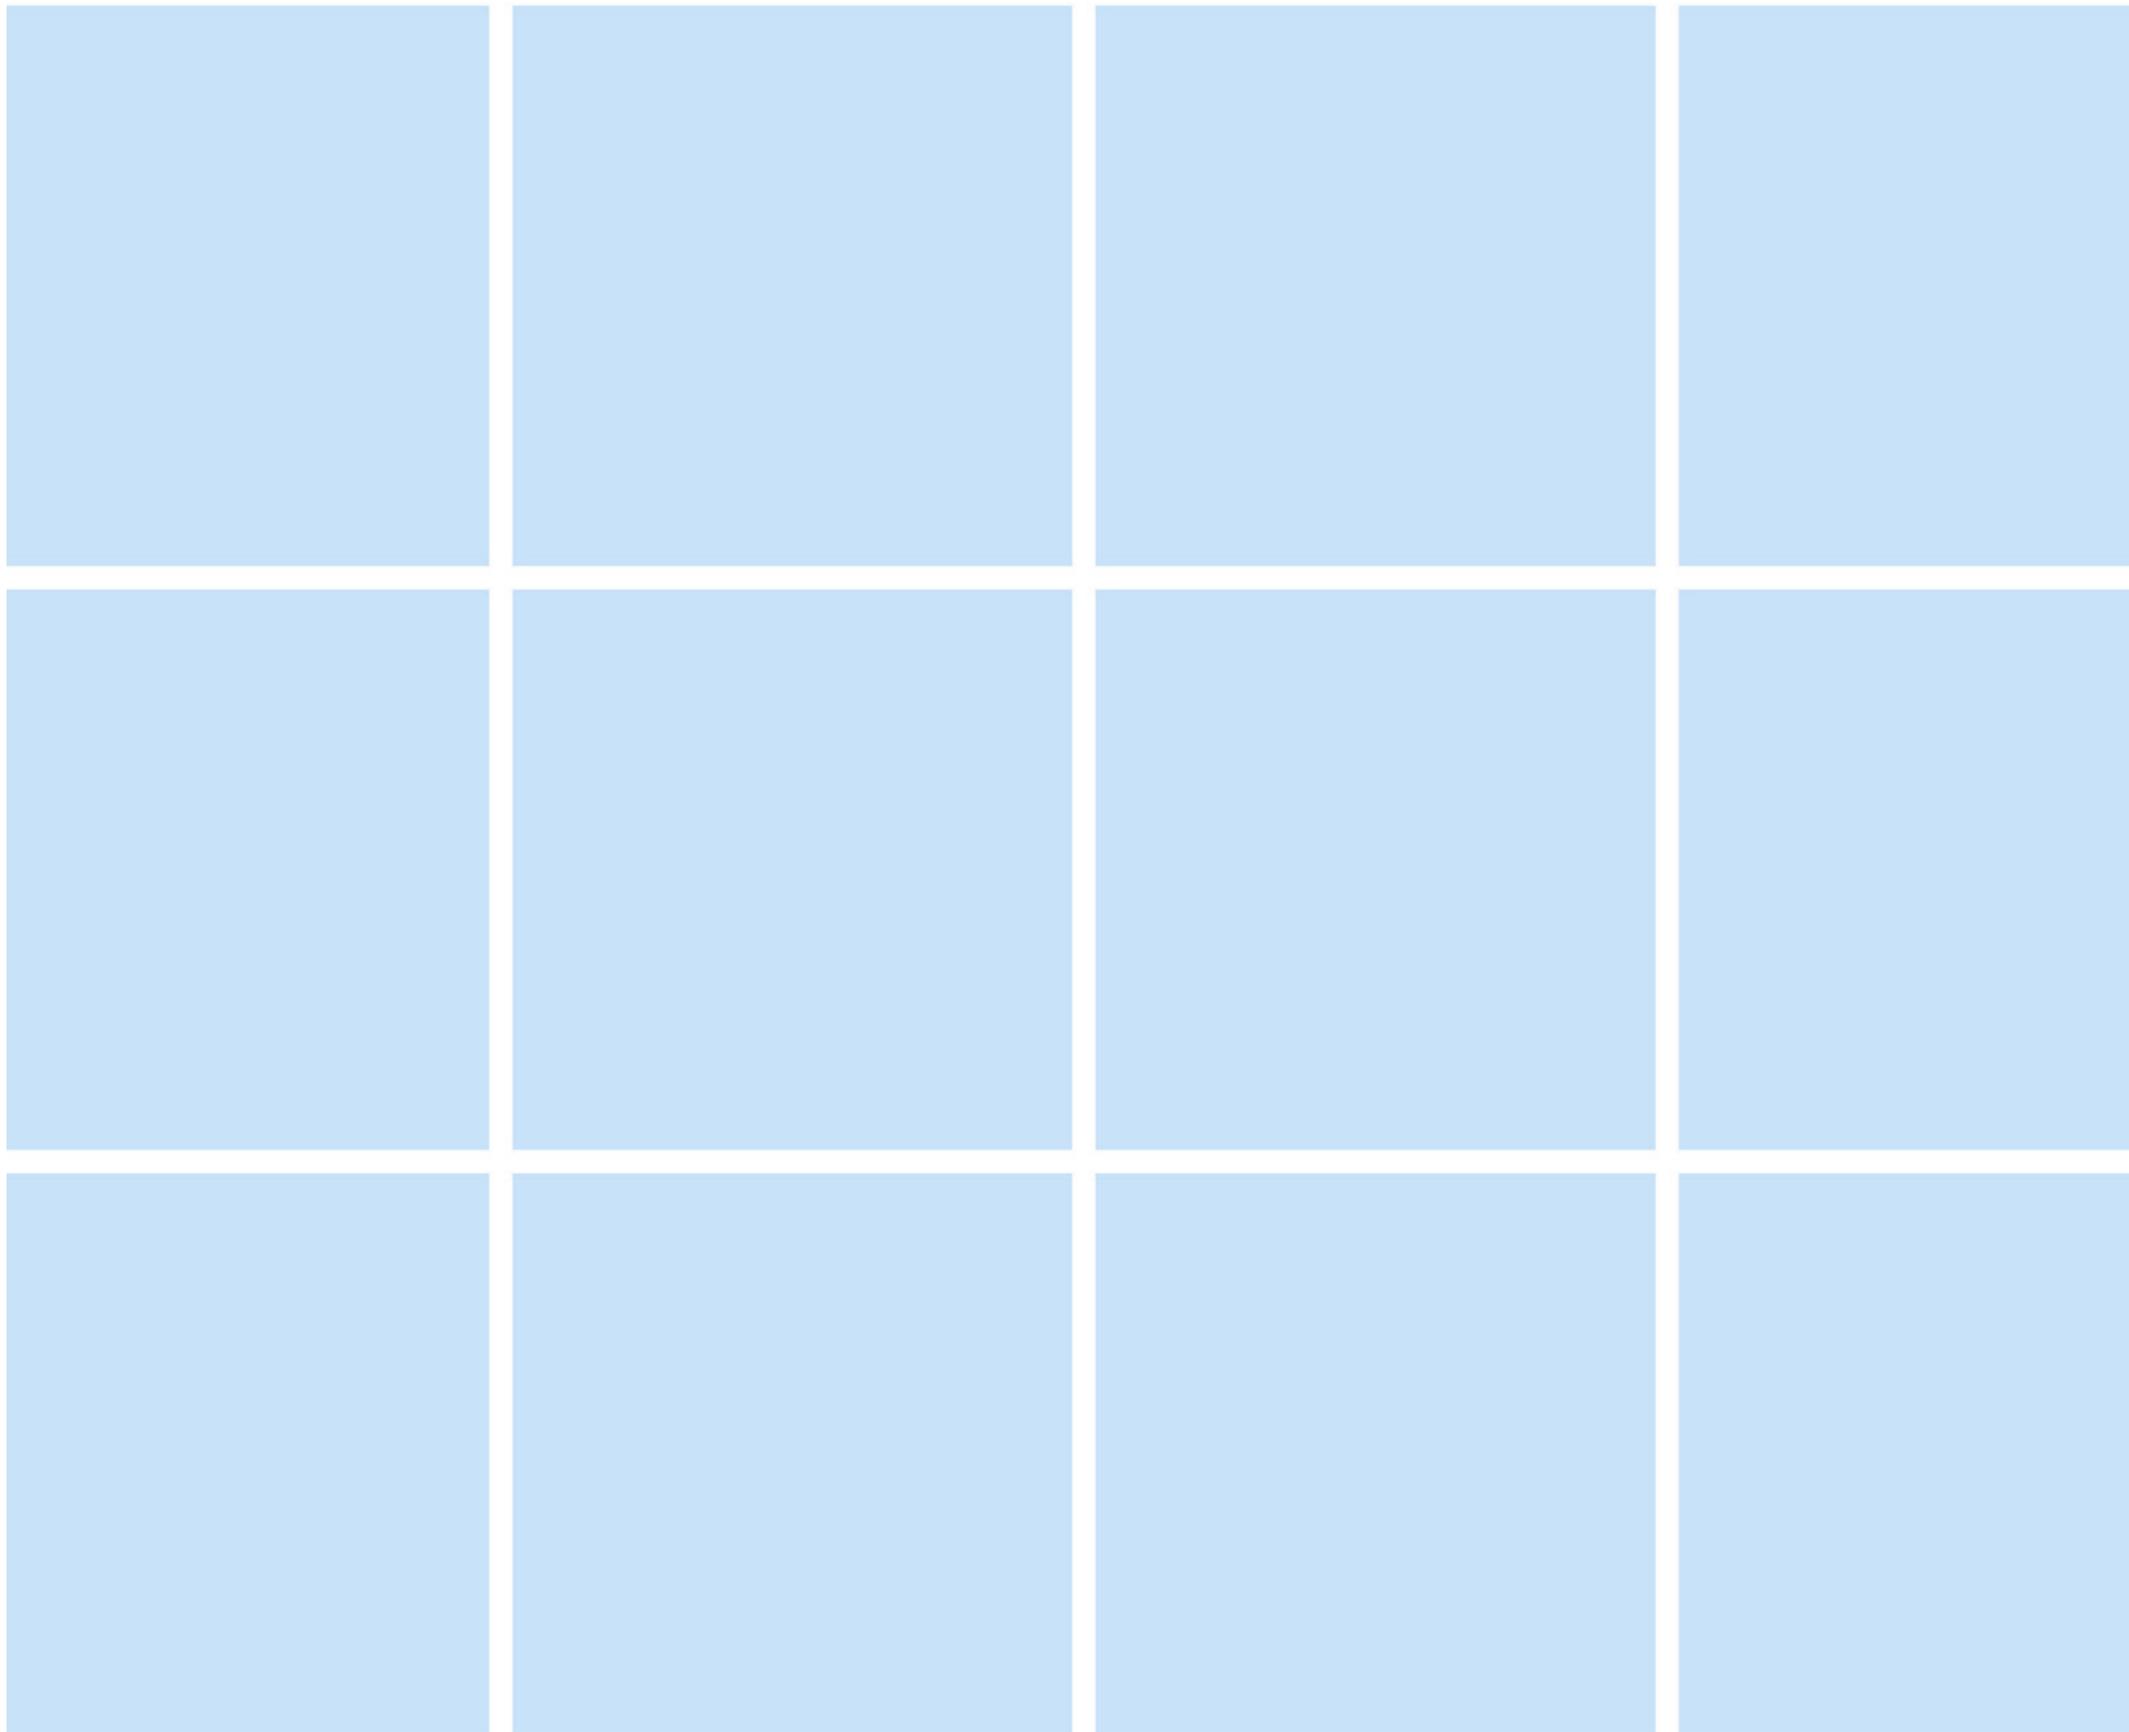

Percebendo isso, decidimos unir nossas pesquisas de mercado, nosso senso estético e nosso amor pela moda e pela arte para criar a coleção “Doce Estilo”, para as crianças que estão amadurecendo e deixando sua personalidade transbordar.

Pois o que tem de mais estiloso do que estampas que marcaram época em todo o mundo, como listras e xadrez?

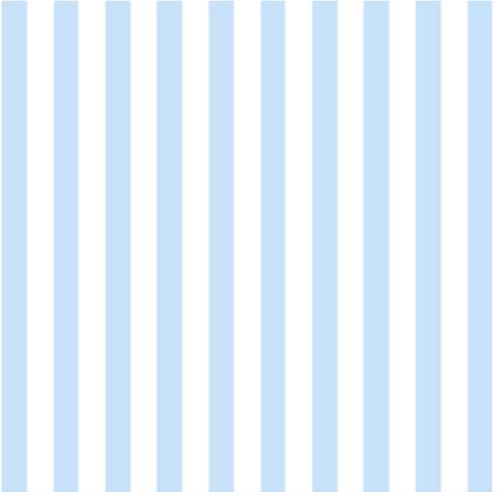

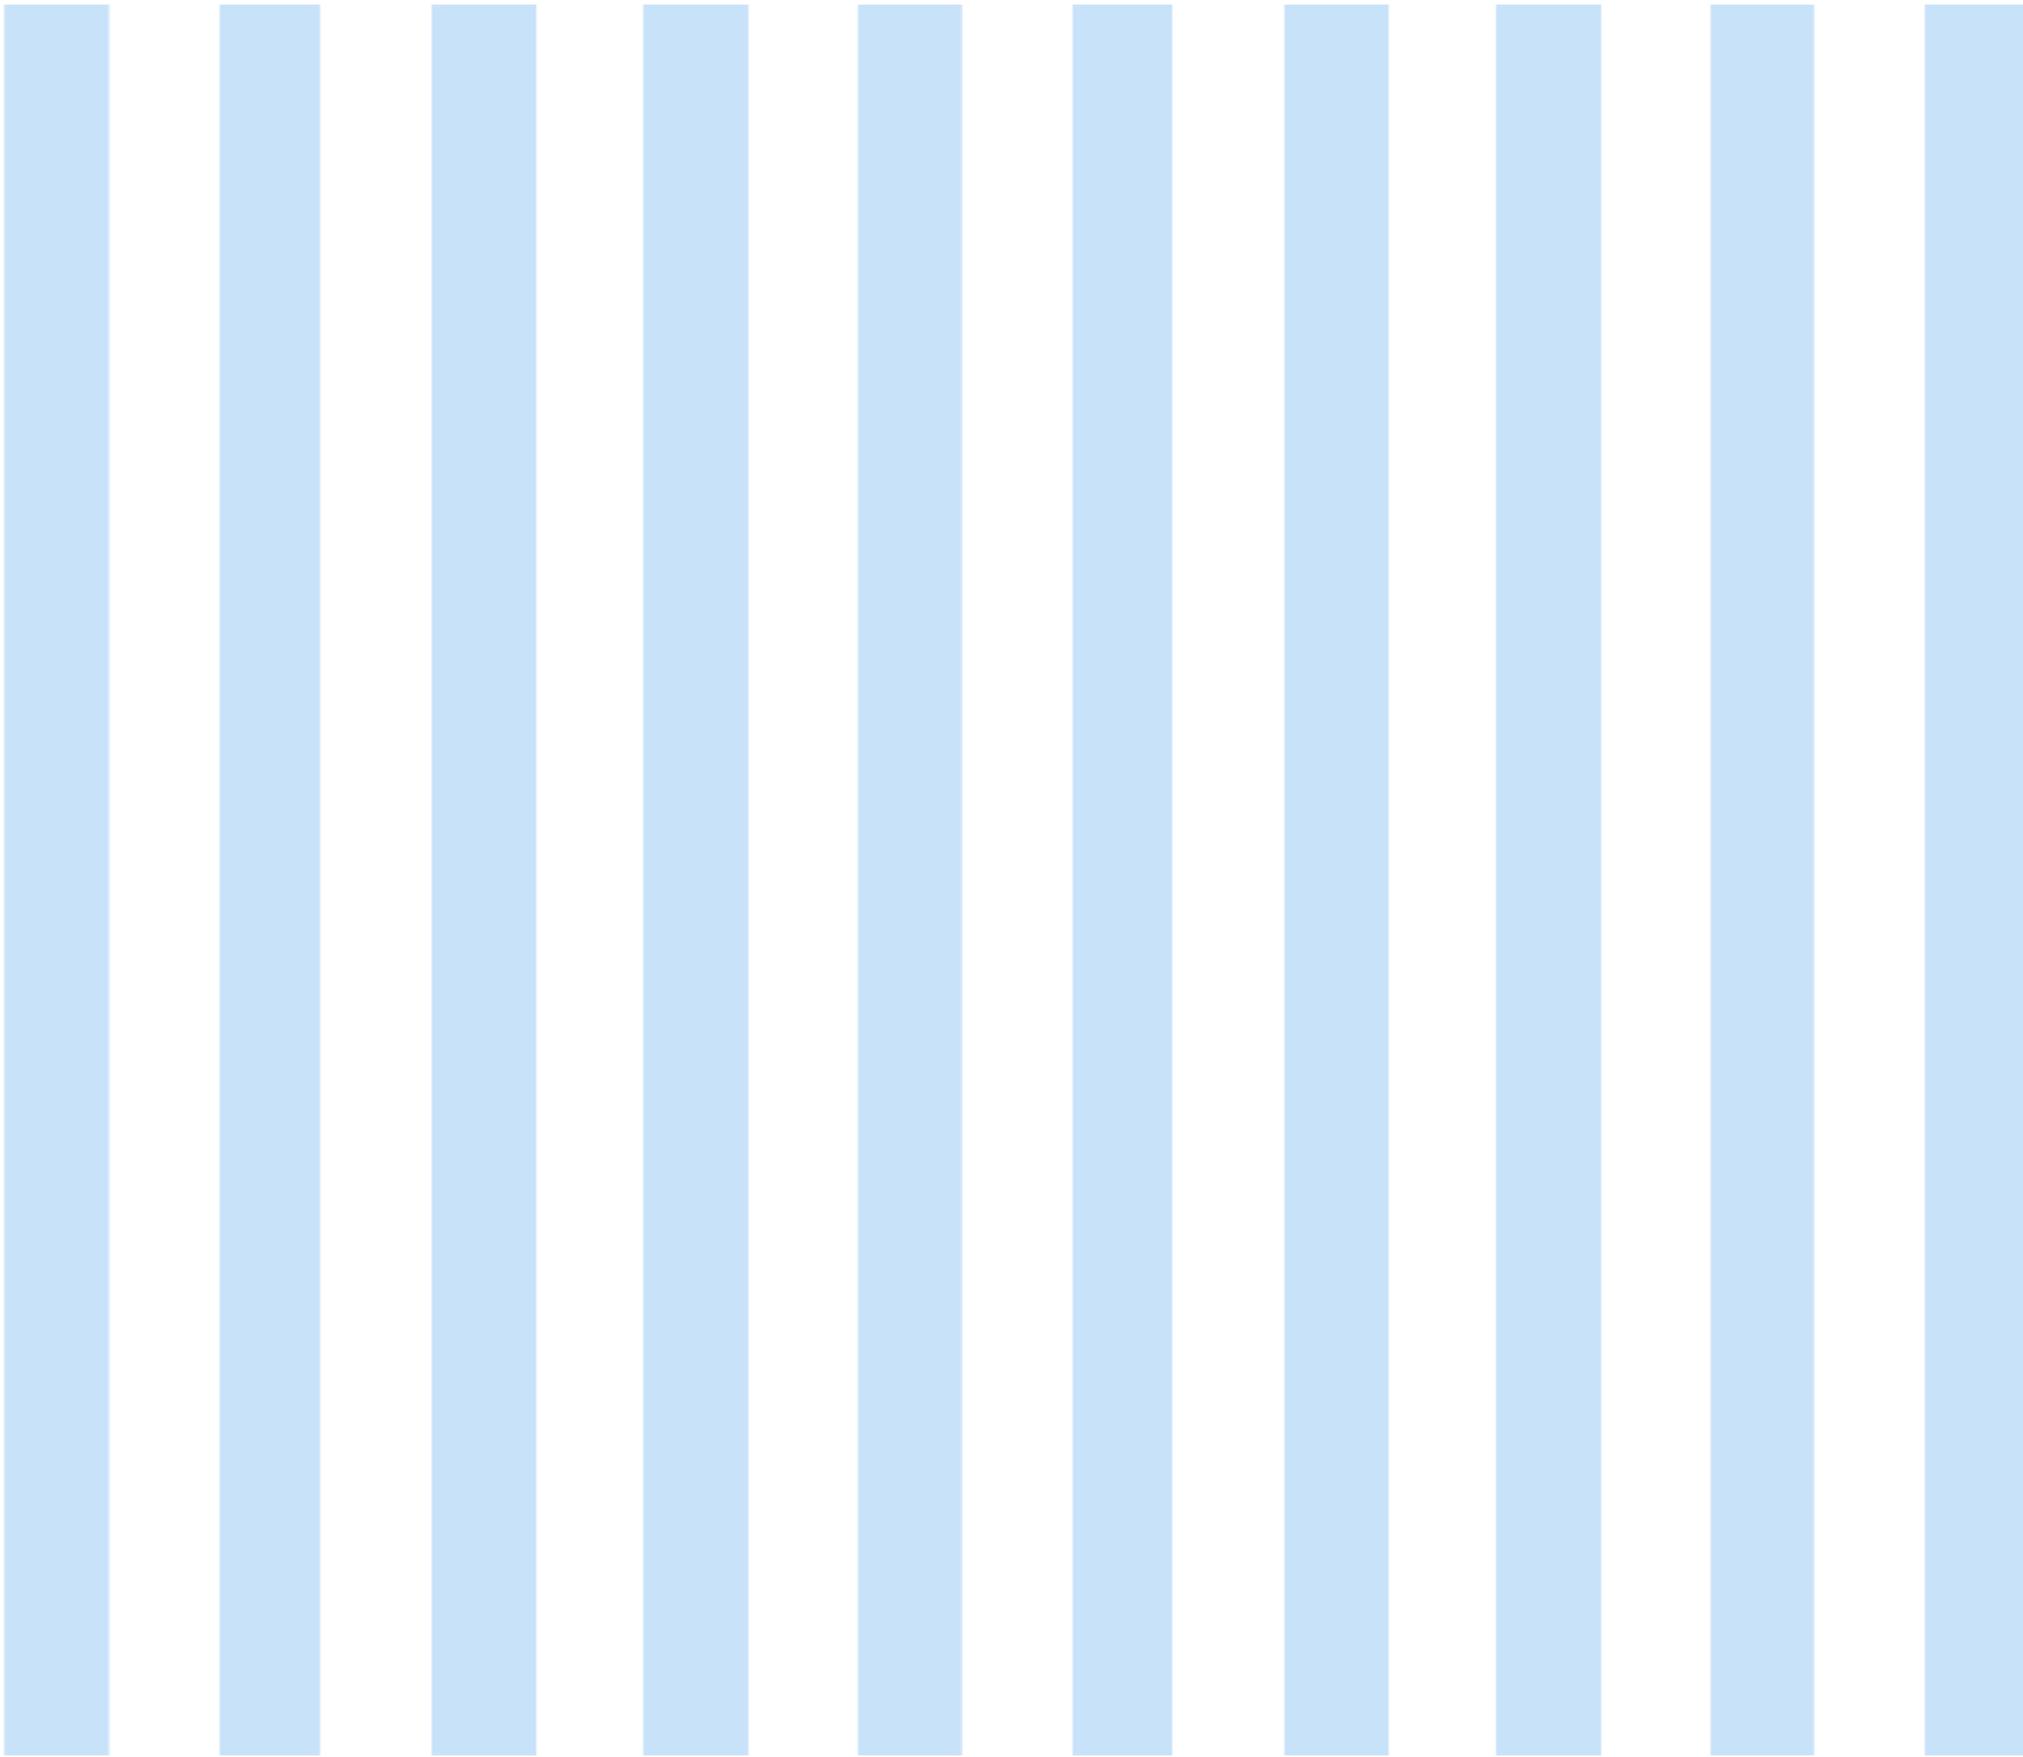

Através de uma paleta de cores que transita entre tons pastelados e cores

vibrantes, essa coleção atende tanto as crianças quanto os pais que gostam de estampas minimalistas de forma equilibrada com tons mais suaves.

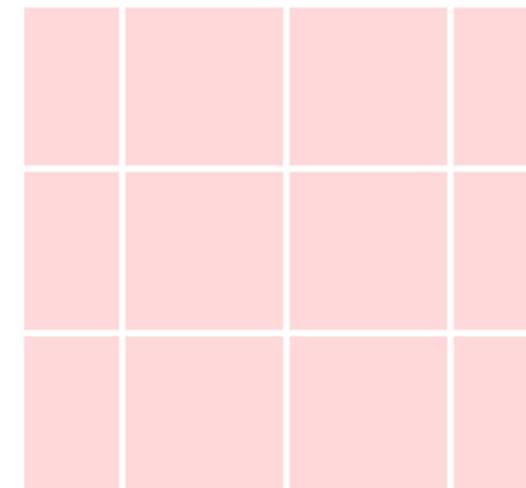

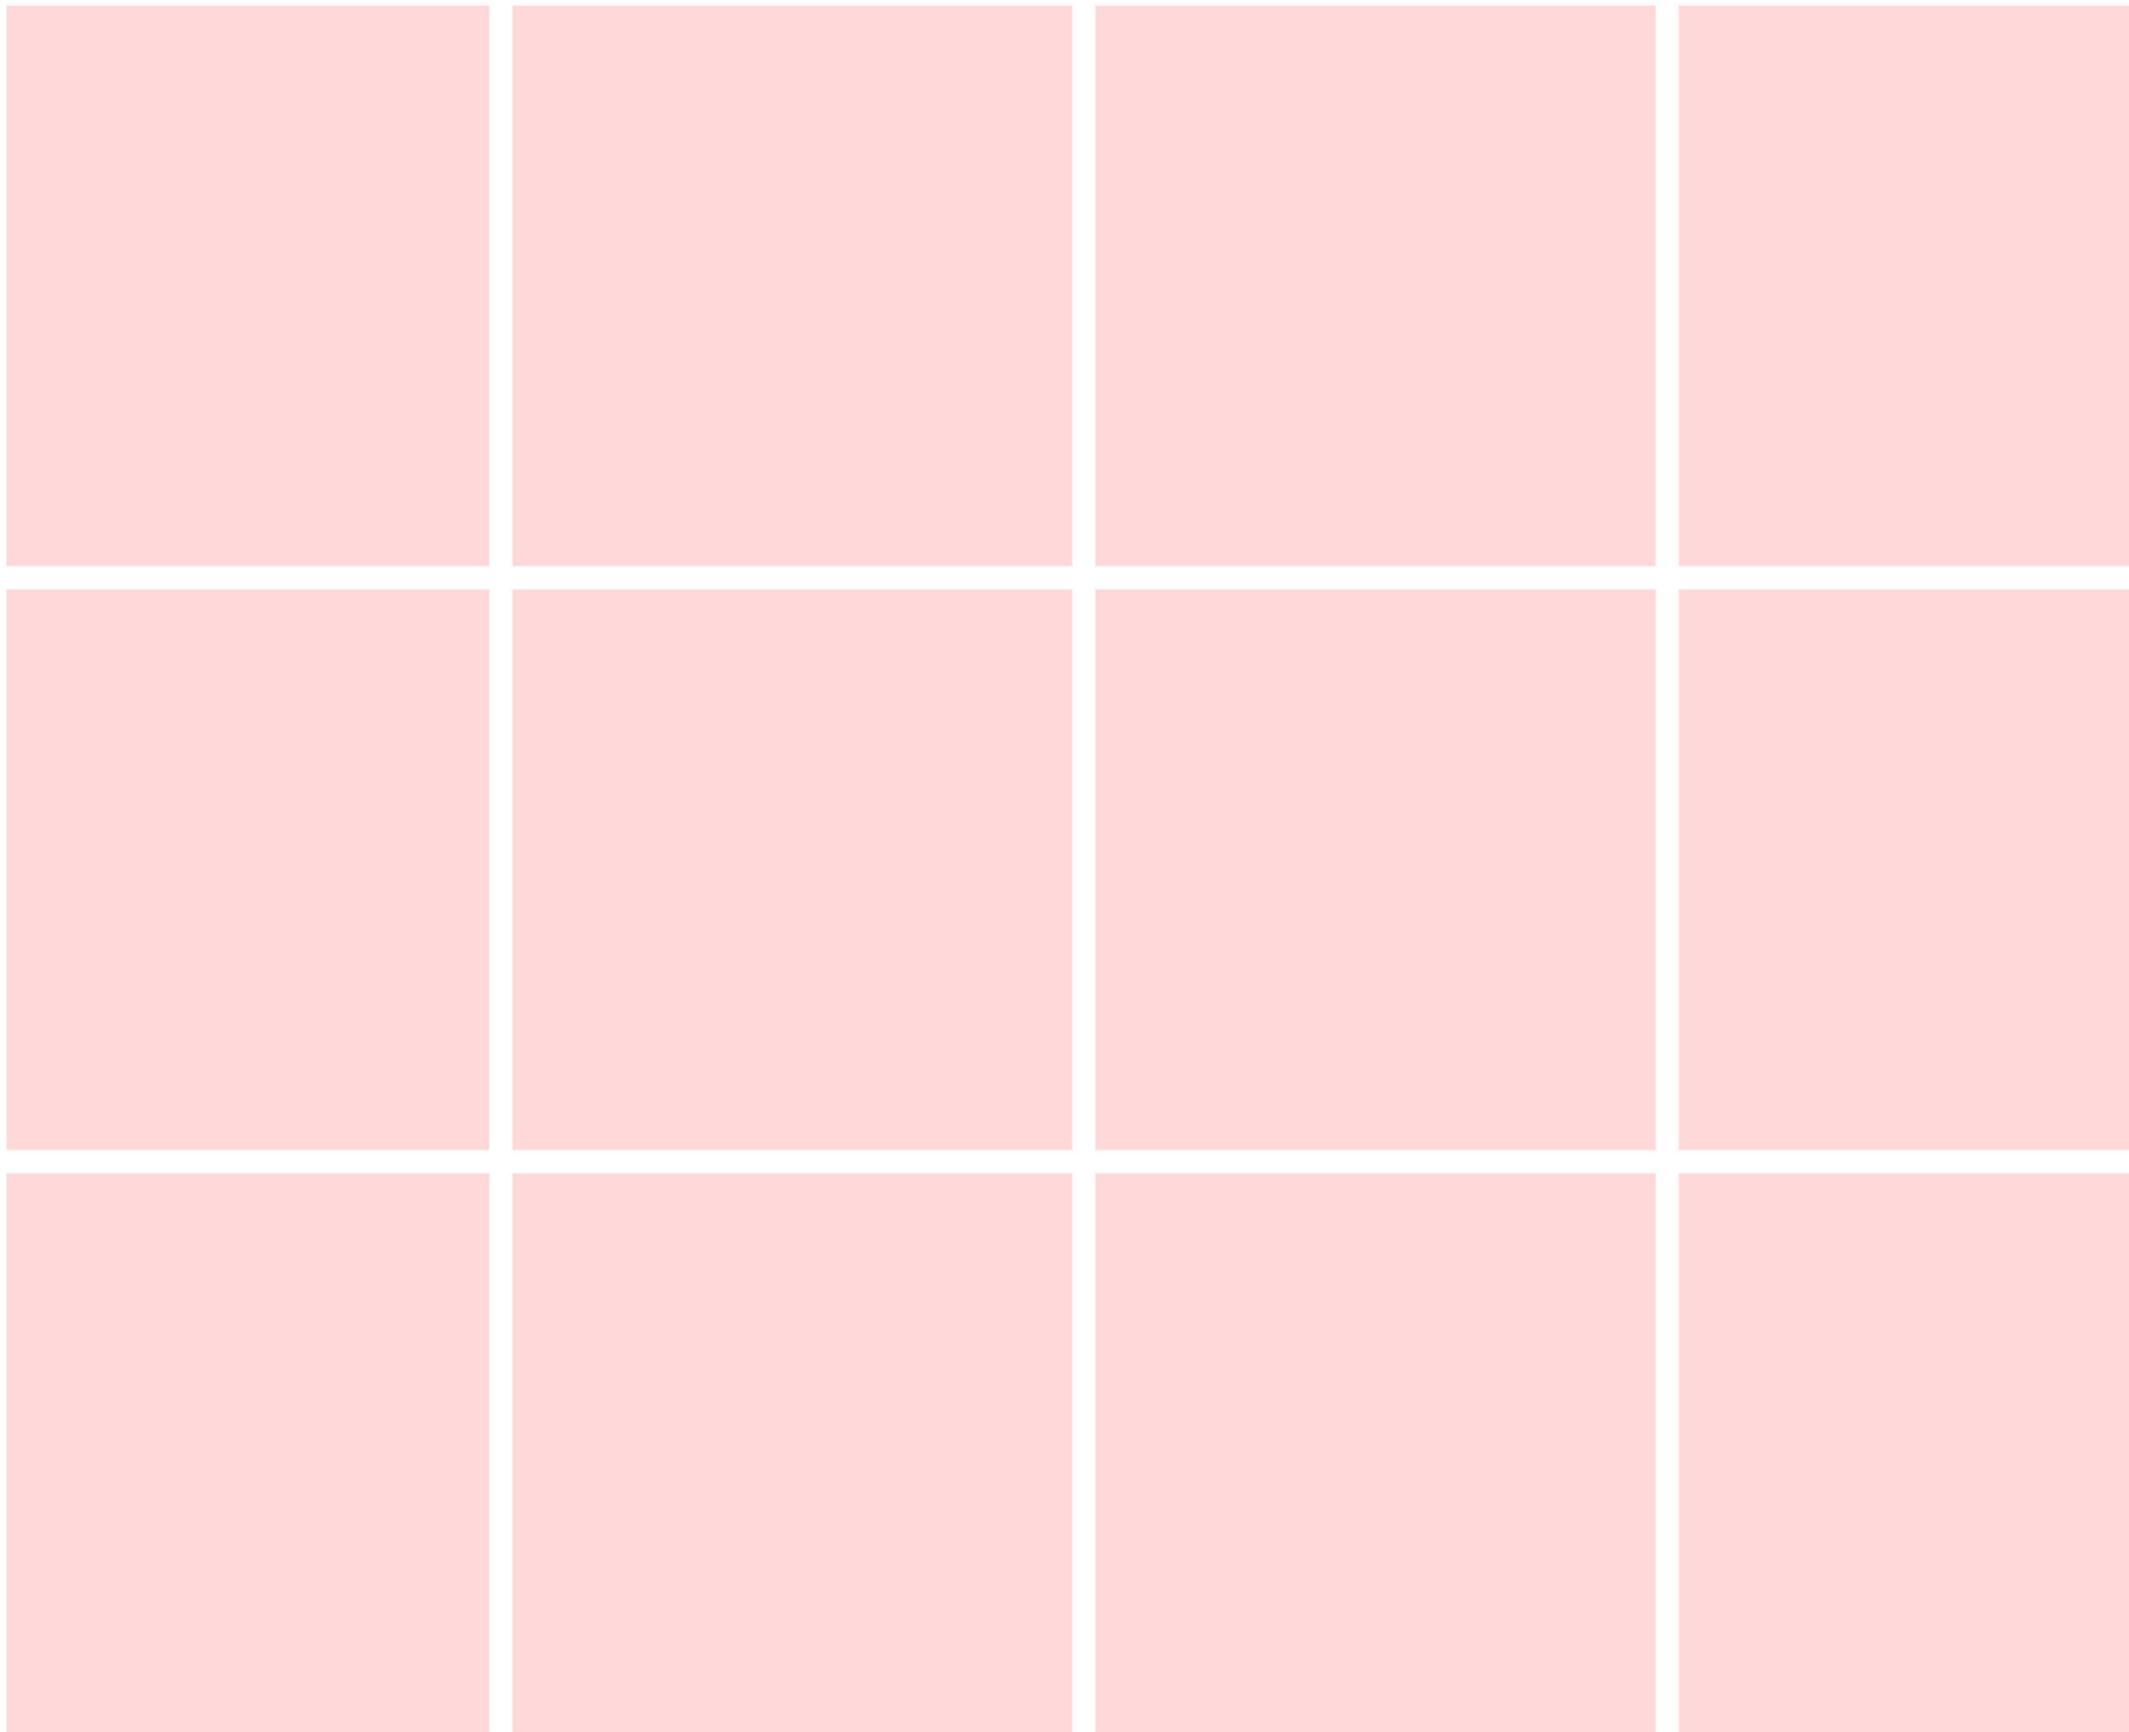

Escolha os papéis de parede HOME FINISH Studio e leve mais estilo para o seu lar com as estampas que são sinônimo de exclusividade, tanto para os pais quanto para as crianças.
