# HF ORIENT II

Depois do grande sucesso da coleção HF Orient, mergulhamos mais uma vez na cultura oriental para trazer o conceituado design de papéis de parede inspirados em bordados e tecelagem manual. Assim nasce a coleção HF Orient II.

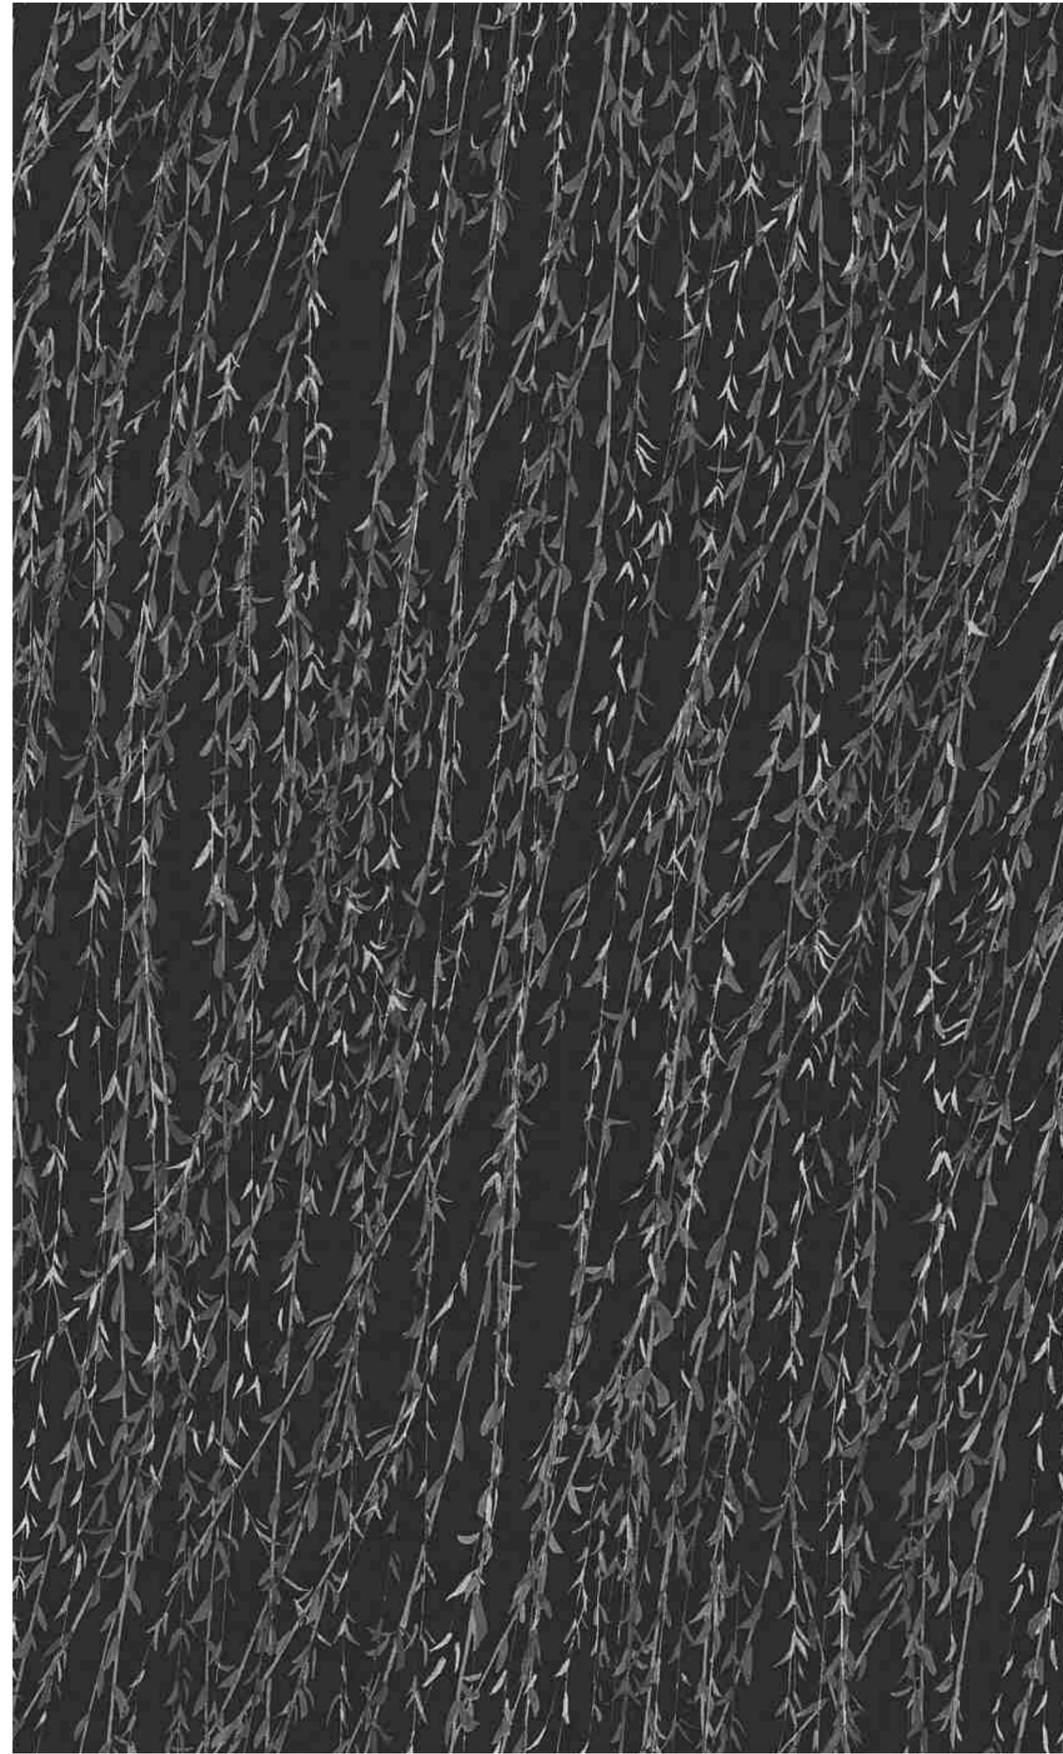

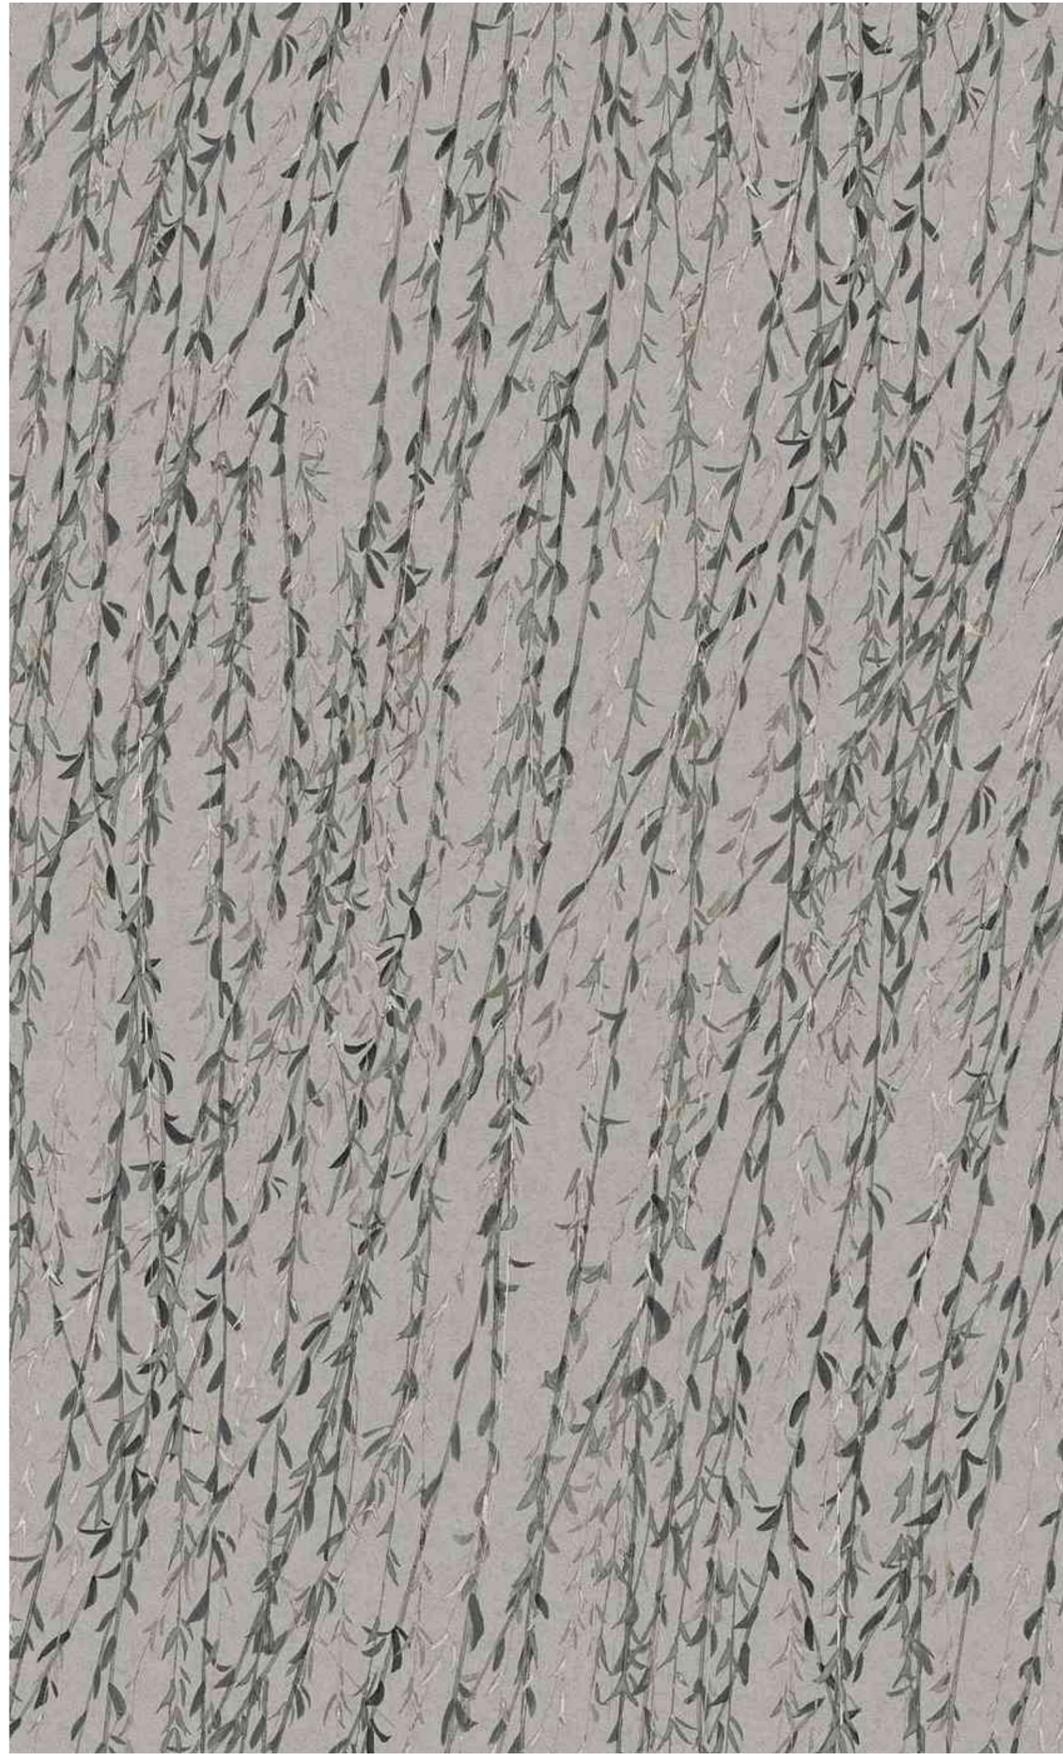

Com design inspirado em tradições milenares, a coleção traz estampas inspiradas nos tapetes orientais que se tornaram referência pela qualidade e beleza, mas também são símbolos de história, arte e cultura. Fazendo destes milenares artefatos, itens de tradição que conferem luxo e requinte aos ambientes.

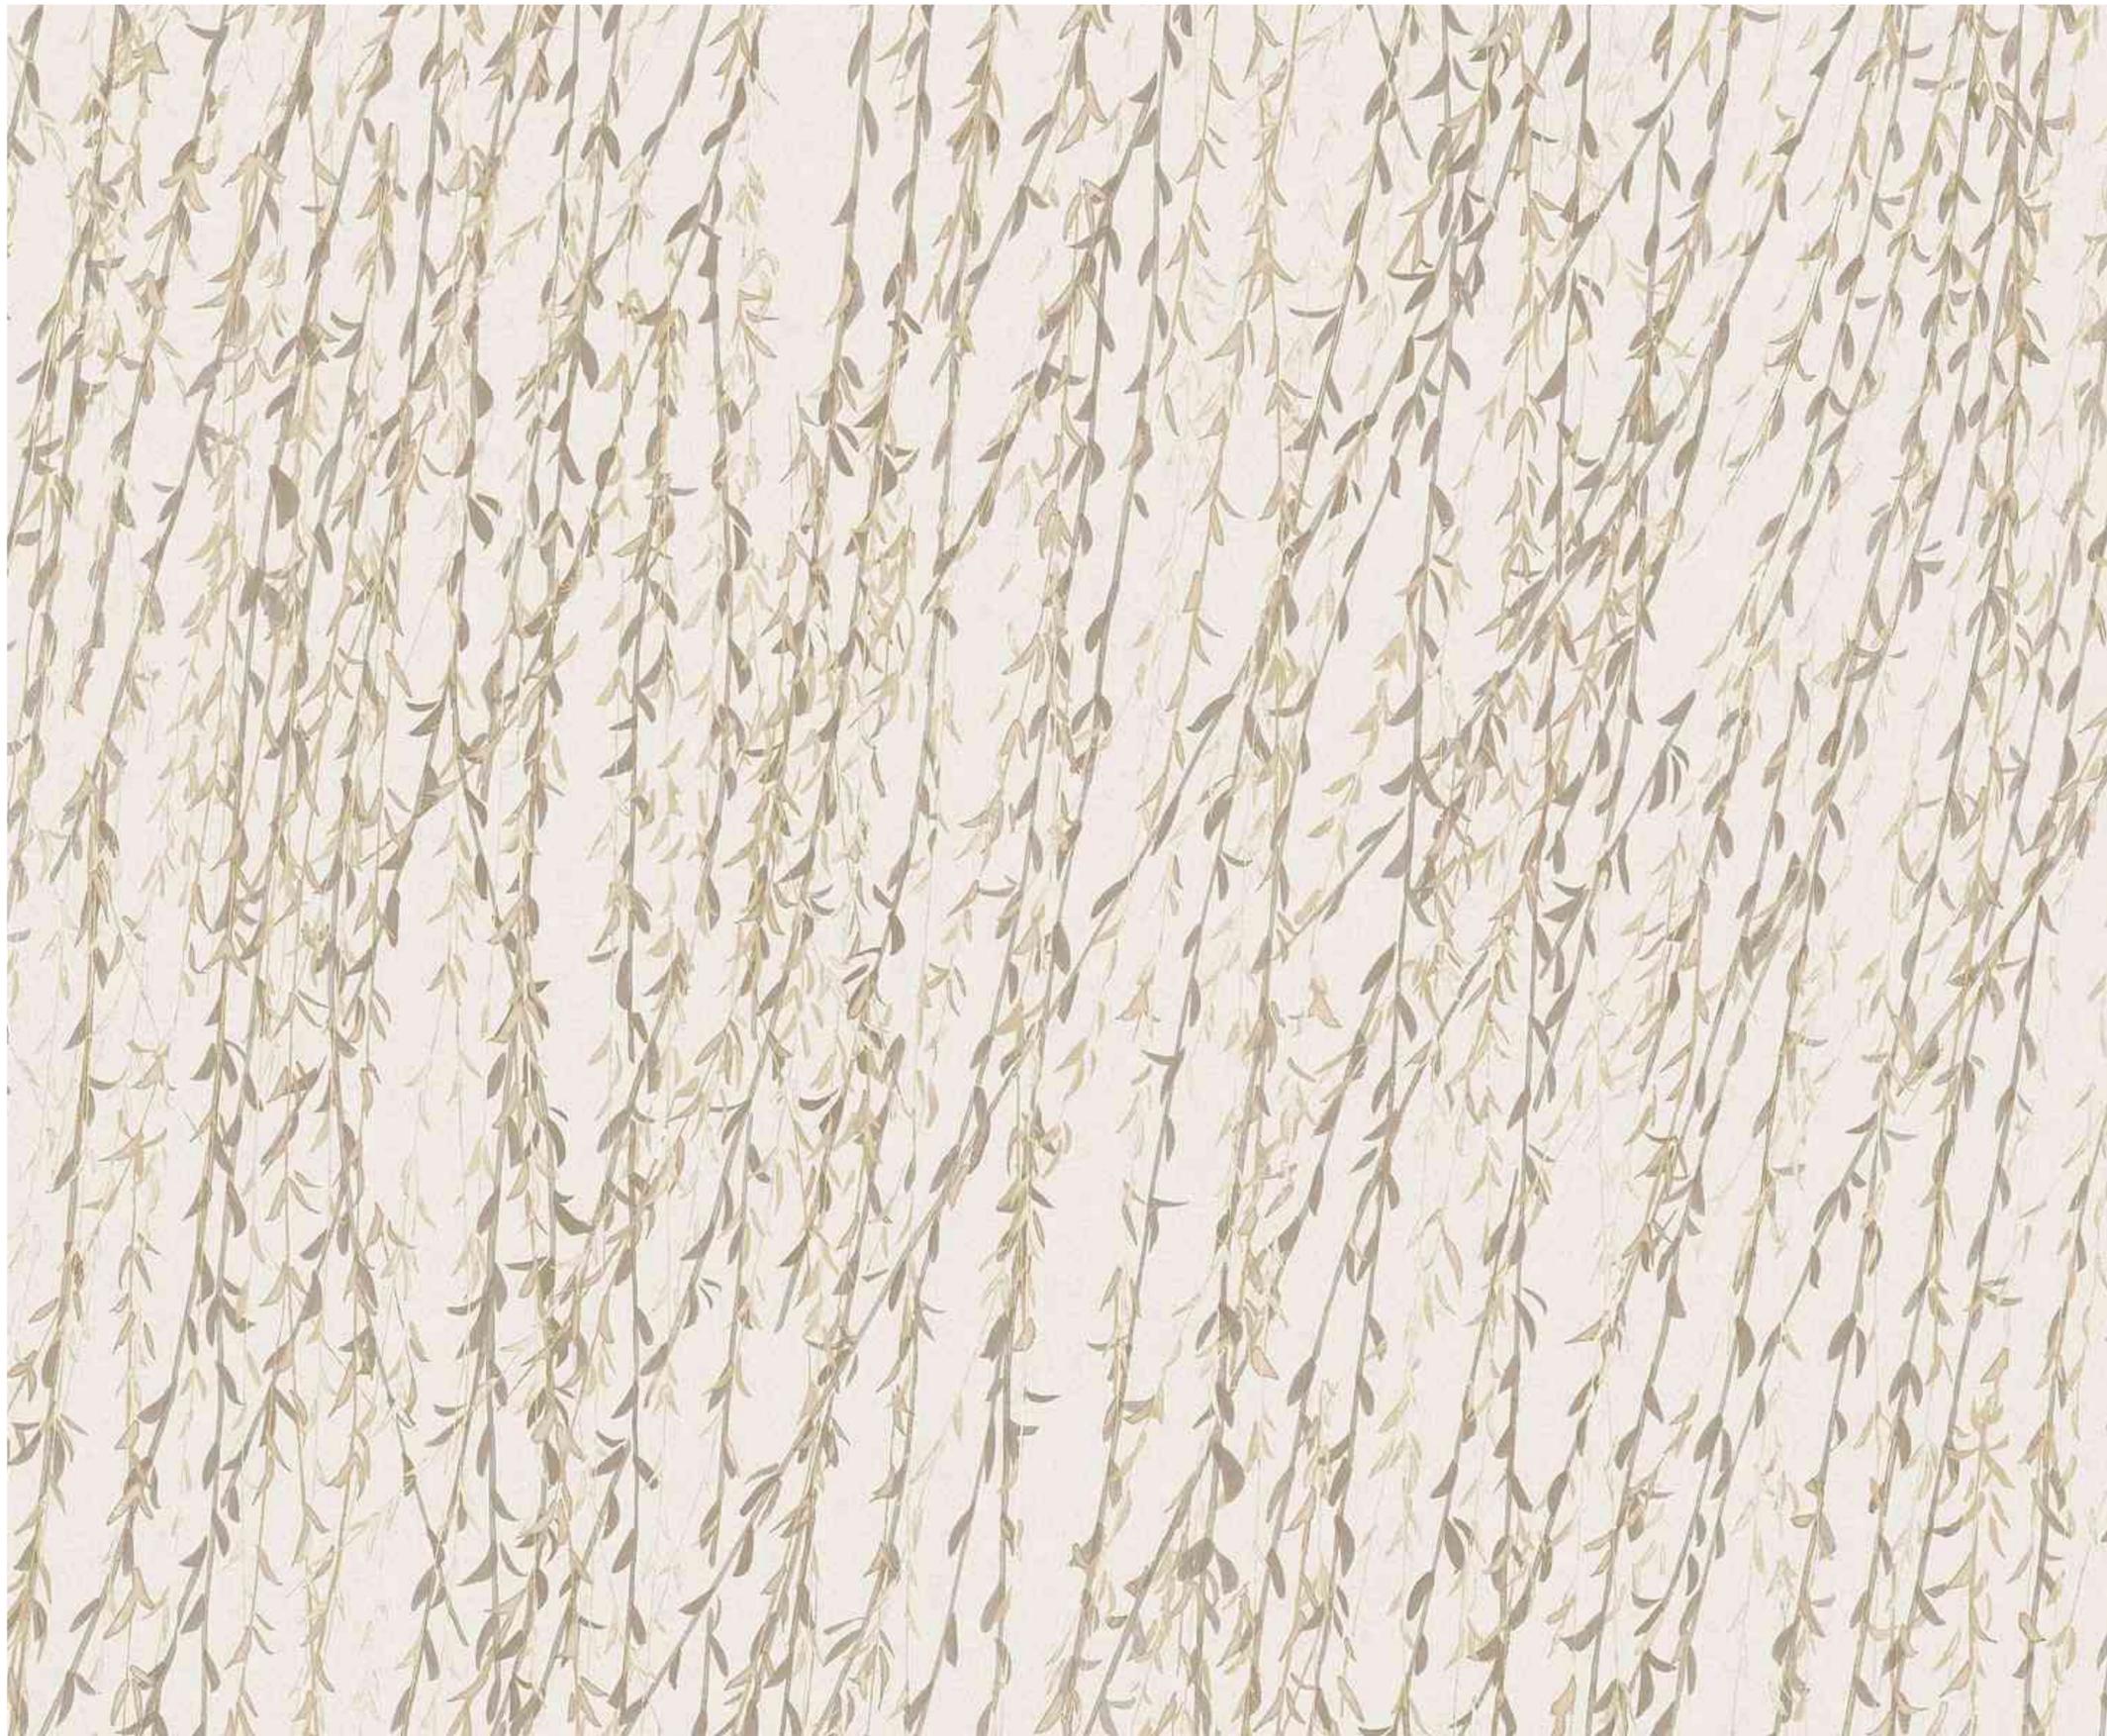

As mais modernas técnicas produtivas foram aplicadas para reproduzir

estampas em tapeçaria, tecelagem e bordados com fios de seda para uma máxima riqueza de detalhes, proporcionando um resultado extremamente real em meio a cores fascinantes.

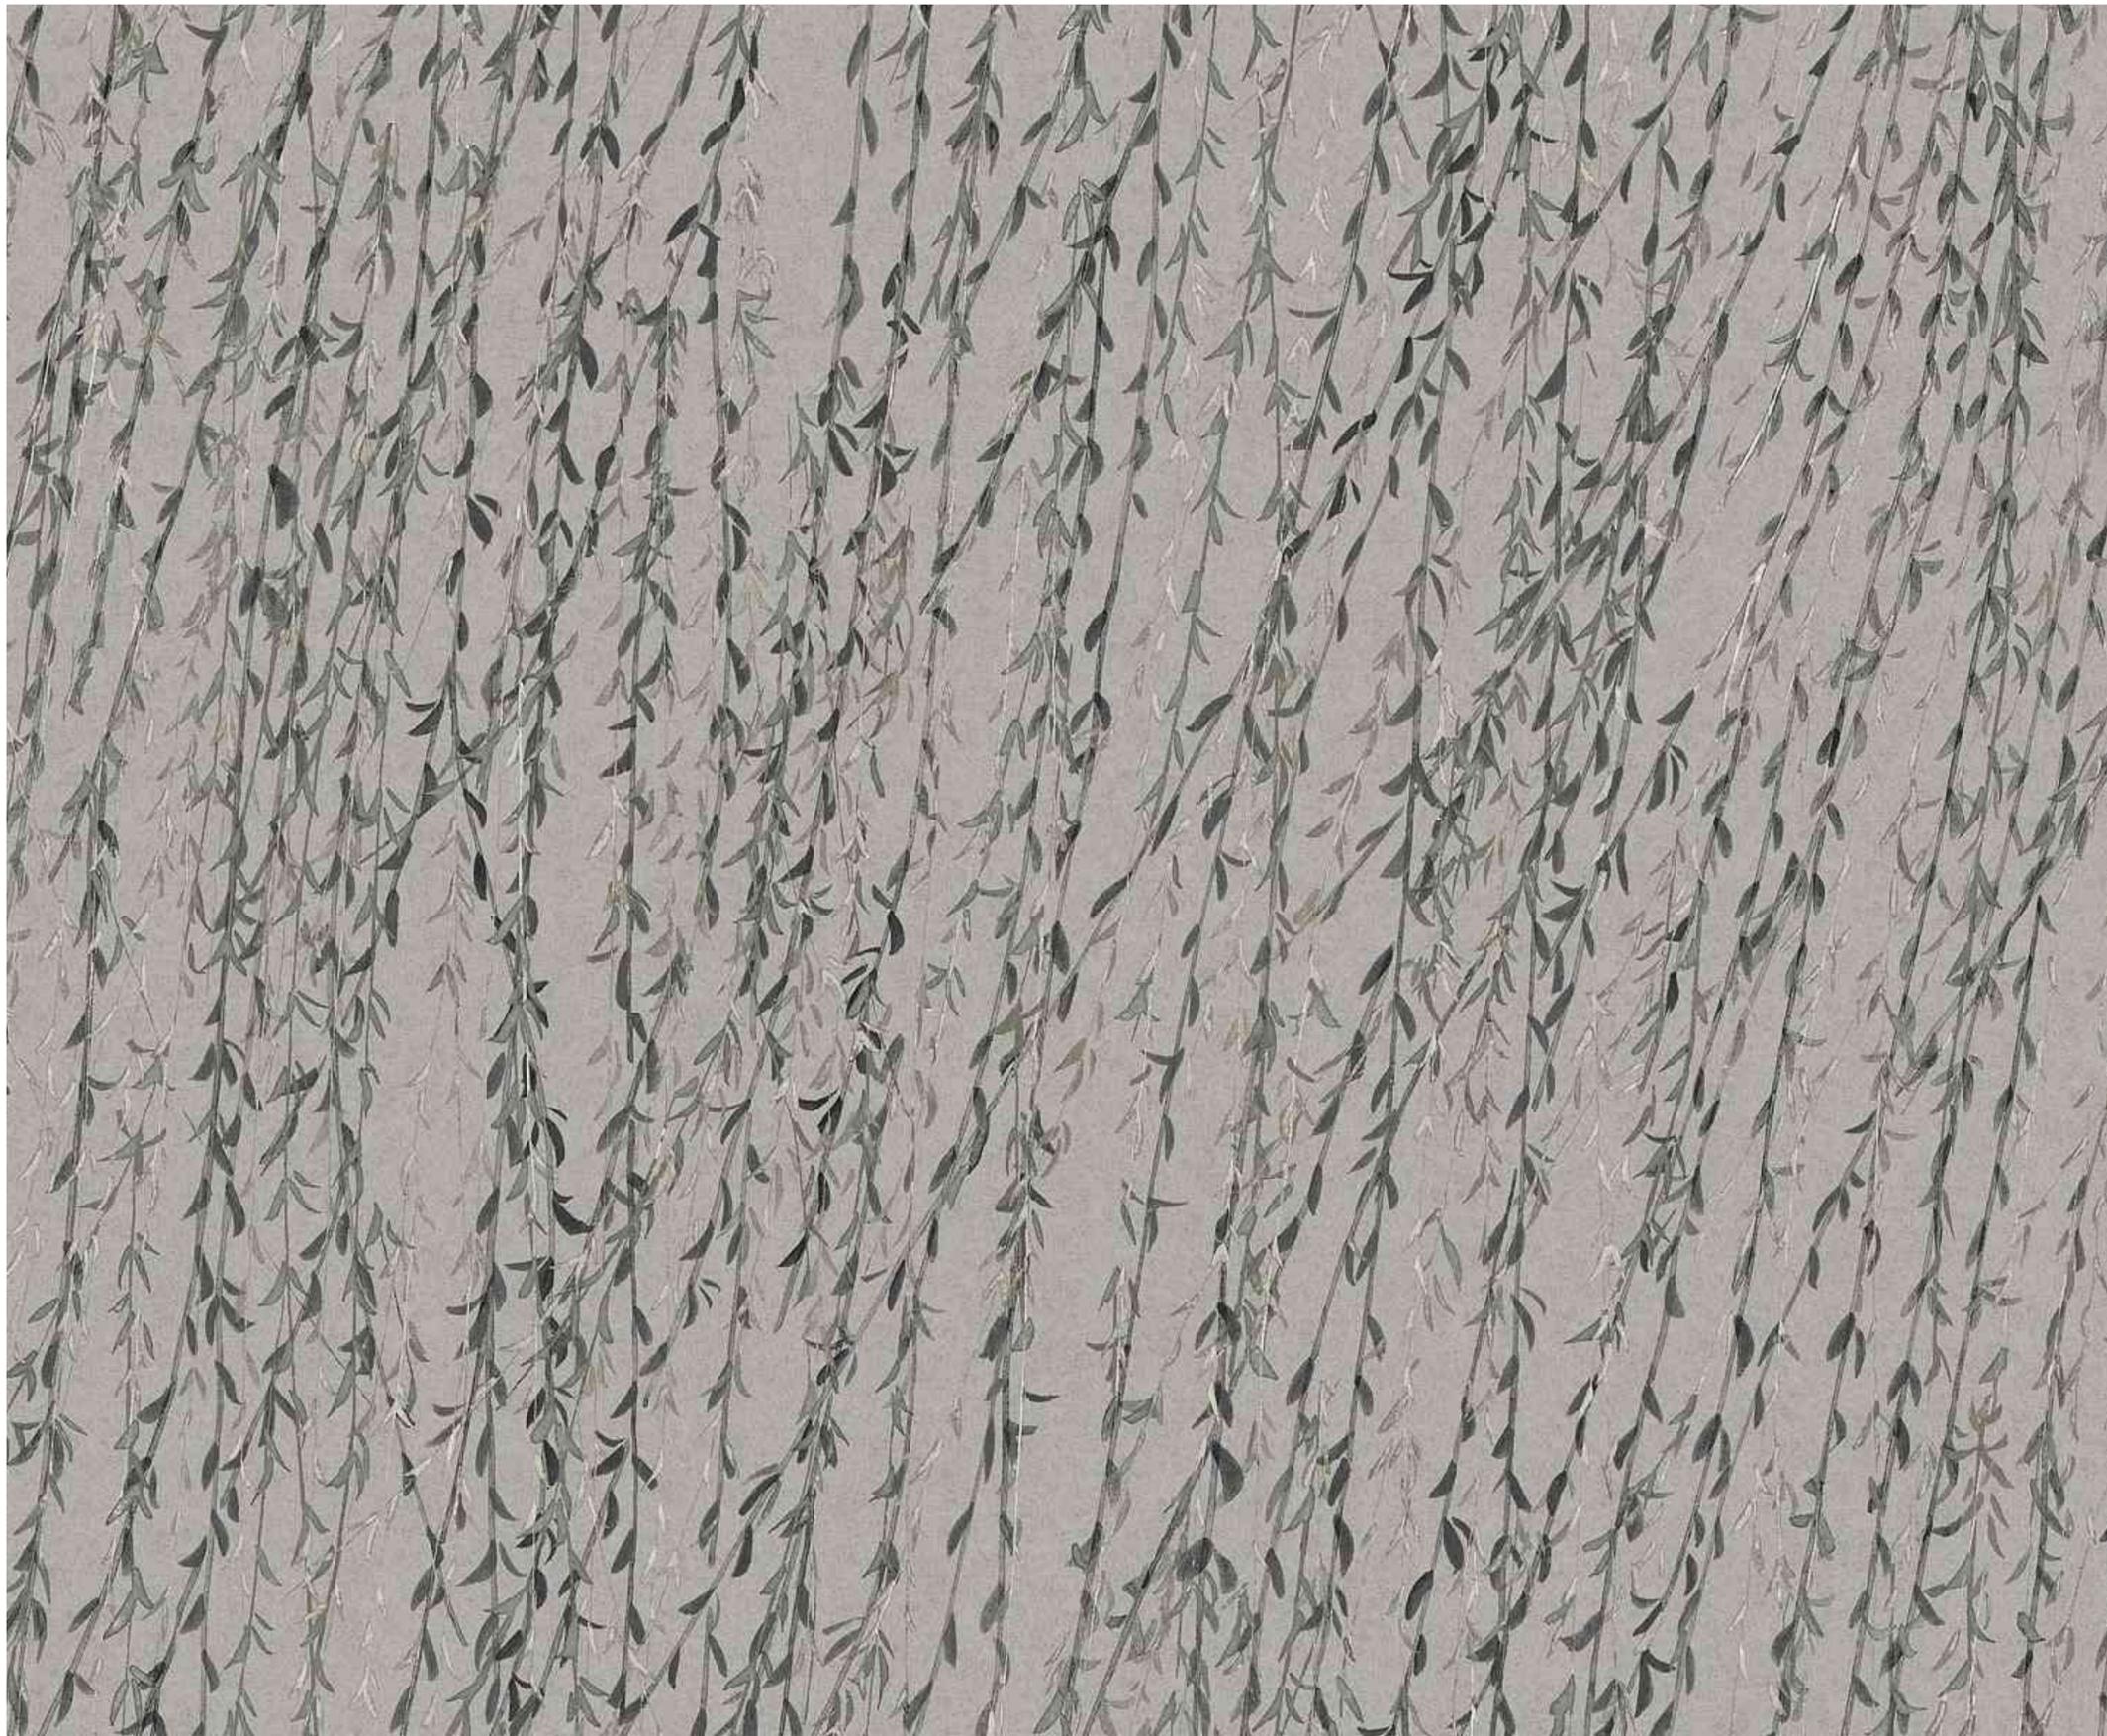

A coleção HF Orient II conta com variedade de formas, cores, tamanhos e tramas. Cada estampa possui um desenho único, assim como uma obra de arte.

Explore o magnífico universo do design oriental com a inigualável qualidade Home Finish dentro do seu lar. Afinal, não existe exclusividade maior do que contemplar uma obra de arte dentro da sua própria casa.
